

# *Kansas Governor's Arts Awards* 2011

The Kansas Governor's Arts Awards are the highest awards given in the arts in Kansas to recognize outstanding contributions to arts and culture in the state of Kansas by citizens, organizations, schools, businesses and communities.

Submitting a nomination to the Kansas Governor's Arts Award program is an extraordinary way to honor the special people, places and organizations who make a difference in the lives of their fellow Kansans by creating, supporting or teaching the arts.

For information on award categories and how to submit a nomination, please visit:
